Serving 400+ Clients
as a Trusted Technology Partner

DataArt

We prioritize long-term partnerships over short-term gain. That's why our top 20 clients have been with DataArt for 7+ years on average.

Ocado TECHNOLOGY

Since 2011, DataArt has partnered with Ocado Technology, providing 100+ experts on projects ranging from e-commerce websites and apps to a real-time van routing system.

METRO MARKETS

DataArt helped METRO Markets develop and launch an innovative B2B marketplace in just 9 months by augmenting the team with top e-commerce technology experts.

Nasdaq

To help Nasdaq envision the future of options trading at its Philadelphia Stock Exchange, DataArt developed a state-of-the-art Floor Broker Management System.

Rappi

As Rappi's strategic IT services partner, DataArt provides high-quality talent to innovate its back-end technology infrastructure and customer-facing applications.

Why Choose DataArt as Your Partner for Progress?

DataArt

Cutting-Edge Industry Expertise and R&D
